Dear Fred:

Mr. Dulles asked that I send you the attached clipping from the Washington Post and Times Herald of 6 April 1960.

While Representative Rooney does not sit on our committee, there is no question but that sculpture for our new building will be looked at by an appropriate committee with a very critical eye. Therefore, we all feel that we must be very careful with whatever recommendations we eventually decide to make in this connection.

I look forward to seeing you sometime soon.

Sincerely,
